

Since 2013, we have been synonymous with culinary delights full of character and quality in Böblingen. Spread over two floors, including a stylish cigar lounge, we offer an atmosphere that combines the American way of life with elegant hospitality.

Behind Tower 66 is me, JOE - host, with heart and passion in the kitchen. With over 40 years of gastronomy in the region, known among other things for the legendary "Route 66 Darmsheim" and "Joe's Country Hall Renningen." Today, I continue to live my dream at Tower 66 - supported by my son Rouven in service and our great team.

We warmly welcome you and wish you an enjoyable time at Tower 66.
